

ADDENDUM NO. 1

TO

CONTRACT DOCUMENTS

DEMOLITION AND ASBESTOS ABATEMENT AT FORMER DPW BUILDING

TOWN OF WAYLAND

IFB # 19-1067

APRIL 25, 2019

NOTICE TO BIDDERS

The attention of all bidders submitting proposals for “Demolition and Asbestos Abatement of Former DPW Building 19-1067 IFB” is called to the following addendum to the bid documents. The items set forth herein, whether of omission, addition, or substitution are to be included in, and form part of the specifications and plans of the above-named project for bids to be received as advertised.

Note that the due date for bids has not changed and the bid opening remains at Thursday, May 9, 2019 at 2:00 p.m.

Please be sure to acknowledge this addendum on the bid form.

QUESTIONS and CLARIFICATIONS

Contractor Certification

1. In addition to the mandatory bid forms, the bidding contractor must submit along with his bid a valid certificate of eligibility in “Demolition” as issued by the Massachusetts Division of Capital Asset Management and Maintenance including a valid update statement (MGLC 149; S440; 810 CMR).
2. The bidder must also submit a valid asbestos abatement contractor license issued by the Massachusetts Department of Labor and Work Force (MGLC 149 S 6A-F, 453 CMR 6.00) prior to performing any work.
